

St. Francis Xavier Middle School 2017-2018 Uniform Dress Code

Xavier Middle School, as a private educational institution, reserves the right to determine and insist upon a norm of appearance for its students. The goal of the dress code is to promote the virtues of modesty and self-respect, as well as to create an atmosphere that is appropriate to the serious task of educating young people. Students are expected to dress in a manner that indicates they understand the difference between being dressed for a day at school or being dressed for a recreational/social activity outside of school time.

If a dress code violation cannot be immediately corrected, the parents will be notified and the student will either be sent home to change or will wait in the office for appropriate clothing to be delivered. The student will serve detentions for any time missed.

The following guidelines do not cover every possible situation. Questionable attire will be referred to an administrator for arbitration. Since styles of clothing and hair change rapidly, the administration reserves the right to restrict fashions that are inappropriate as well as interpret what is considered to be in poor taste or distracting to the learning environment.
