### **Extended Care** (*Ms. Candee, Mrs. O, Mrs. Wolf, Mrs. Demro*)

10 Riddles "ON WISCONSIN" - Our Extended Care classes are learning all about the state we call home through fun riddles and creative projects that provide the answers! This 10 week long activity has us reading a riddle every Wednesday then making the project to display on the giant bulletin board outside of our classroom. We are at the halfway mark and so far there are badgers, robins, maple syrup, cows and honey bees filling our board. Stop by and check it out! Read a riddle and see how well you know Wisconsin! No worries ... not sure? Just ask an Extended Care student!

*Stop by and meet Silly Sally the Scarecrow.*

Hello,

I hope the start of the new school year has been a great one. I sure have been enjoying the wonderful weather. But as it gets cooler, please remind students to have a sweatshirt along as it can change quickly.

The 2017-2018 school year is still newly underway and we have room to grow in our Care Programs. Please let friends and families of our schools know about all the care opportunities we have available.

We are welcoming the new school year and meeting new friends. It brings new excitement and energy to our program. We do offer time for students to get assignments done; please talk to your children about the importance of using our “Homework Club” to finish any homework.

Filling out calendars will be more accurate when the parent fills one out for themselves, it is the family’s responsibility to have this filled out with the correct care needs.

**Please continue to label your child’s personal belongings: backpack, boots, coats, winter carry bag, and lunch bag**
