

We LOVE Volunteers!

Please put your name in the hat now by getting our Safe Environment requirements checked off your list.

In general, all volunteers for St. Francis Xavier Catholic Schools are required to:

- 1.) Complete an on-line application that also authorizes a background check
- 2.) Complete an Adult Awareness Training session (VIRTUS[®])
- 3.) Sign an Agreement Form in which you agree to follow and adhere to the *Diocesan Code of Pastoral Conduct for Volunteers* and submit the signed form

The detail related to each of these expectations is below. These items must be completed. We need all of our volunteers to be well-trained resources for our children and we want you as parents to know that your children are our top priority! Even if you don't intend to volunteer, consider participating in this free program in order to better understand the expectations we place on all our staff and volunteers.

More information on the Safe Environment program sponsored by the Catholic Diocese of Green Bay can be found at: www.gbdioc.org. Roll over "Protecting Children". If you have questions, please feel free to contact Christine Mazierin human resources at cmazier@xaviercatholicschools.org, or 735-9380 ext 5213.
