The Early Payment Credit Form is required and can be found on our website on the Admissions tab under Enrollment and Tuition Information.

International Student Hosting Credit

Families who host a Xavier High School international student for the school year are eligible to receive a \$1,000 tuition credit. To find out more, please contact Sarah Shimek at (920)733-6632 or sshimek@xaviercatholicschools.org.

Partner Parishes

High school students at Partner Parishes are eligible for the parish member annual tuition. Please refer to the "Summary of Billing Policies" on our website for complete information.

Non-Appleton/Partner Catholic Parish Members Are Eligible For a Catholic Discount

Elementary and middle school students with families that are parishioners of non-Appleton Catholic parishes are eligible for a 20% Catholic discount on tuition. Tuition can be calculated as the non-member annual tuition rate minus twenty percent. It will be applied after the start of school upon confirmation of parish membership. High school students at a Neenah/Menasha parish currently receive the member tuition rate.

Financial Responsibility

St. Francis Xavier Catholic School System recognizes the individual who registered the student and signed the Financial Responsibility Form as the financially responsible party unless another individual assumes financial responsibility for the student via written notice. One individual or one married couple must be identified as the responsible party for each student regardless of other legal arrangements.

Please refer to the "Summary of Billing Policies" on our website.
