Final budget will be at next month's meeting. One thing that will change from this year to next year is the Spirit Sprint will be done as a Color Run.

Event/Program Evaluation

- a. Pi Day- Pi day is to remind kids to keep math in every-day life! The speakers we had at school were great and they kept their speeches very short and sweet! Thank you to all the kind volunteers that showed us what you do in your work! We are always looking for new speakers! If you know someone that uses math in their job, please let us know!
- b. Food Fair- Food Fair is coming up the first Sunday in May! Mark your calendars for May 6th! Look out for a sign up genius coming your way to help! The fair is from 9am to 4pm.
