Huge news! Beginning this fall, families who host an international student receive a \$2000 tuition credit! In addition, many of our international student programs pay a monthly stipend of several hundred dollars. By hosting an international student, a family can virtually pay for the entire tuition of their own student!

Please contact Sarah Shimek - [sshimek@xaviercatholicschools.org](mailto:sshimek@xaviercatholicschools.org), if you are interested in opening up your home and hearts to an international student for the 2018-2019 school year!

Your response to this call is an amazing gift to the St. Francis Xavier School System!

### **Dress Code**

We have not yet come to a final consensus on the long term plan with the dress code. To that end, the dress code will remain fundamentally the same as last year. A few points of emphasis or clarification will be made:

- No writing or graphics are allowed on tops (designs are fine, but not writing or characters). Only a small (less than the size of a small index card) logo is permitted.
- All tops must be worn with a crew neck shirt underneath. The recent fashion has been to wear shirts that are see-through, loosely knit, or have a collar or design which makes visible the undergarments worn underneath. This fashion is not school appropriate. If a student is unsure as to whether her collar is a crew neck, she should consult administration before wearing the shirt to school.
- Nose piercings, no matter how small, are illegal in the dress code. Students with a nose piercing will be asked to remove the piercing and given a detention for each time the piercing is worn.
- Outerwear will be permitted (fleeces, jackets) as long as it meets the criteria of other tops.

For a complete view of the dress code, see the student handbook.
