

Welcome Xavier Class of 2022!

April 25, 2018

Dear parents of the Xavier High School Class of 2022-

As May creeps closer and the end of middle school nears for your son or daughter, I want to take a moment to welcome you to our Xavier High School family. We are grateful that you have entrusted us to partner with you in educating your child. Many exciting things are happening at Xavier in May and I would like to invite you and your family to be a part of them.

Food Fair

Food Fair is our annual community event / fundraiser held on the first Sunday each May. This year, Food Fair will be on Sunday, May 6 from 9:00-4:00. A great way to meet other Xavier parents as well as help your student to get a head start on service hours for next year is to volunteer at Food Fair. [Click here](#) for the SignUpGenius to sign up to volunteer. No experience is necessary - all training is done at the booth when you arrive for your selected shift.

Incoming Freshman and New Student News & Notes

In early June, you will receive our newsletter, News & Notes, full of information for new students and their families. This includes contact information for coaches, moderators and teachers. Many of our clubs and teams have summer opportunities of which your student can partake.

In the meantime, if you have a specific question or would like the contact information for a particular coach or moderator, please e-mail Mr. Mauthe at mmauthe@xaviercatholicschools.org

Mark Your Calendar

If your son or daughter is planning on participating in a sport next year, please plan on attending a mandatory parent / athlete athletic meeting on one of the following dates to learn about the athletic program and pick up paperwork required to be completed before your student may try out:
