

Company Matching Gifts

A matching gift by your company or organization increases your generosity to Xavier Catholic Schools by adding the matching amount to your gift at no additional expense to you. It is easy to make a matching gift: simply contact your Human Resources Department and inquire about your company's matching employee donations policy. Please be sure to choose St. Francis Xavier Catholic School System as the recipient of your gift . All supporting documentation should be sent to the Advancement Office at 101 E. Northland Avenue so we can verify your gift.
