Xavier High School is a proud member of the St. Francis Xavier Catholic School System, and has been accredited by AdvanceED (formerly the North Central Association) since 1970.

Dear Xavier Family-

"You keep us waiting. You, the God of all time, want us to wait for the right time in which to discover who we are, where we are to go, who will be with us, and what we must do. So thank you for the waiting time." -John Bell

Waiting is miserable. We live in a time of instant gratification. The website doesn't load immediately and you're refreshing the screen. There are two cars in front of you in the drive thru and you're frustrated. We check our watches when the concert starts 5 minutes late or our freshman doesn't emerge from the school until 3:15. It feels like the development of immediate and disposable satisfaction of our needs and wants makes patience harder to practice and rare to find in others. Maybe that's why Advent always seems to come just in time.

It's like Advent is a microcosm of life. We know that Christmas is coming. The manger is filled in just a few weeks. Still, we wait for the joy we know is to come. The experience reminds us of the same sort of waiting that we do as we anticipate eternal union with God in Heaven; we wait for the immeasurable joy that comes with eternal life. Still, the promise of the future doesn't always make the waiting any easier. We tend to dread the wait, not to savor it. Have you ever waited in line at the grocery store and thought "How fortunate that I have a few moments to take some deep breaths, relax and contemplate the wonders of Creation!"? I have not. Have you ever been stuck at a train and thought "Here's a chance to roll down the window and get some beautiful fresh air, clear my head, and hum my favorite tune."? Me neither. When I am enduring a meeting that lasts too long, waiting for the commercials to end, or wondering whether it takes longer for water to boil when I am hungry, my reaction to waiting is typically not gratitude. John Bell would be disappointed.

So thank God for Advent. Thank God for the reminder that there's beauty in the anticipation. Thank God that we are given the waiting time to prepare ourselves for what is to come, both in the season and in the future. It is the waiting which magnifies the wonder of the arrival of Christmas. We remind ourselves with every Advent calendar or every lighting of the candles of the Advent wreath that our waiting has purpose, as it points us to the arrival of the Messiah. As we near Christmas, let's put ourselves in the Advent state of mind, maximizing our anticipation to always bring us closer to Jesus, the one we await.

"God grant you the light of Christmas, which is faith; the warmth of Christmas, which is purity; the righteousness of Christmas, which is justice; the belief in Christmas, which is truth; the all of Christmas, which is Christ." - Wilda English

Merry Christmas,

Mike Mauthe Principal

From the Business/ Attendance Office

Thank you to all parents for reporting **all absences by 8:15 a.m.** Our telephone system allows you to call in as early as convenient, leaving a voice message for

attendance (be sure to use the 6903 extension or dial 882-6903 directly.)

The policy at XHS for any type of early dismissal is to write a note specifying the time your student must leave class or a phone call to Attendance. That note is exchanged the Attendance Office for an early dismissal slip. Students are asked to bring their parent notes in either before school or during X period.

Reminder- when a student will miss school for an appointment, the student is expected to return an "appointment note from the provider, to the attendance office to be filed with the absence records.

From the Counseling Office

<u>College Fair</u>

Xavier's annual Spring College Fair will be taking place on Tuesday, March 12, 2024 from 6:00 PM to 8:00 PM. Visit our website (<u>https://tinyurl.com/CollegeFairXHS</u>) for more details. This site will be updated regularly leading up to the event in March. Browse through our growing list of colleges and universities that will be joining us or search by keyword to find schools offering the major in which you're interested. It's going to be a fantastic event!

ACT Fee Waivers Available

ACT allows eligible students to take up to two ACT tests free of charge. If you believe your family might qualify for a fee waiver, please contact your child's counselor or have your student stop in the counseling suite.

Sophomore Parent Conferences

Sophomore parents and guardians should look for information via mail and email in late January about the meeting that will occur with you, your child, and your child's counselor. In this conference, which is tailored to address the needs of students at the midpoint of high school, we will discuss your child's talents, educational development, and career interests. We will also share information helpful in your planning for the rest of high school, including graduation requirements, standardized testing, course selection, and postsecondary options.

The conferences generally last 45 to 60 minutes and occur during the school day. Your involvement is very important and we hope for 100% participation by the parents/guardians of our current sophomores.

When you receive the letter in late January with details about scheduling your conference please contact Beth Carpenter, our registrar, to set up a meeting sometime during the second semester. We look forward to seeing you.

Junior Parent Night

All parents of juniors are invited to Junior Parent Night on Wednesday, January 17th at 6:30 PM in the XHS theater.

We will cover junior course selection, graduation requirements, college visits, creating the college .application list, and extras like placement exams (ACT/SAT), faith exploration opportunities, and using Naviance to manage their college applications.

Your students do not need to attend because they will receive this information in school over the course of second semester. Counselors also discuss these topics individually with students during their junior visits. We look forward to seeing you!
