#### **Fostering Mental Health with Dr. Kenneth Casimir**

Wednesday, April 24th, 6:00 pm at Xavier Middle School Auditorium

In the Xavier Catholic School System, we are committed to educating the "whole person"-- this includes students' spiritual, academic, physical and social/emotional growth. As we strive to educate our students and foster a better

understanding of mental health, we would like to extend an invitation to parents and guardians to a special event.

Dr. Kenneth Casimir is a child/adolescent Psychiatrist at Winnebago Mental Health Institute and Winnebago County Human Services Clinic. Not only does he have a dedication to the mental health profession, but he is also invested in the Xavier Catholic community. His wife is a school counselor at Xavier Middle School, and his two children have gone through this system. He would love to share his experience within the field and provide an opportunity for parents to foster mental health and participate in an open conversation.

Whether you feel well informed about mental health or this is your first step in this journey, all are welcome to learn more about mental health and how we can help navigate this topic. Please join us at Xavier Middle School on Wednesday, April 24th, at 6:00 pm in the auditorium.
