Xavier Named an AP Honor Roll School!

We are proud to announce that Xavier High School was named to the 2023 AP School Honor Roll! The AP School Honor Roll recognizes schools whose AP programs are delivering results and broadening access for students. Schools can earn the Honor Roll recognition annually based on their ability to increase their school's college-going culture, to provide opportunities for students to earn college credit, and to maximize college readiness. This year, Xavier has achieved Gold status, with two-thirds of the Class of 2023 having taken at least one AP course, more than half of the class earning college credits through the AP program, and approximately one in six recent graduates completing 5 or more AP tests.

Chaperones needed

(4) parent chaperones are needed to accompany the sophomore class to the FOCUS @the PAC program next Wednesday, October 11, in the afternoon? You would need to meet us at the PAC at 12:10 and would be done by 2:30. Anyone interested can call Mrs. Schuh (882-6912) or [email](#)

her ASAP.

AP Testing Sign Up

Students interested in taking an AP test must register AND make a payment no later than Friday, November 11. This information can be found on the [Xavier Counseling Website](#). Each AP test costs \$98. Students can either pay with cash/check or have the fee applied to their Blackbaud Tuition account. Late registration will cost an additional \$55. If a student decides not to take the test, a refund will be made (cost minus the ordering cost of \$40).

ACT Fee Waivers Available

Families are reminded that ACT.org does allow students who qualify to receive up to 2 waivers for taking the ACT test. If you believe your family might qualify, please connect with your child's counselor or have your student stop in the Counseling Suite to find out more details.

College Rep Visits

Each year, admissions representatives from colleges and universities nationwide visit Xavier to meet with our students. This is a wonderful opportunity for juniors and seniors to learn more about these schools and their programs. For seniors, these visits provide the chance to make a great impression on the people who will be reading their college applications. Students who wish to attend a college visit can sign up in Naviance and should pick up a pass from Mrs. Carpenter on the day of the visit.

Here are the schools visiting soon:

- Mon, Oct 9, 9:15 AM - St. Olaf College
- Tue, Oct 10, 8:35 AM - Lawrence University
- Wed, Oct 11, 12:15 PM - Xavier University
- Thu, Oct 12, 12:15 PM - UW-Whitewater
- Fri, Oct 13, 8:35 AM - Marian University
