THANK YOU for Your Generous Support!

Xavier supporters “took Xavier to new heights” and made a remarkable impact on the school system during the Celebrate fundraiser this past Saturday night. Thanks to everyone’s generosity, Xavier Catholic Schools’ “Fund Our Future” portion of the event (the time where straight donations are requested) raised an impressive \$199,800, which unlocked the matching funds of \$160,000 for a grand total of \$359,800! We are blessed with such generous supporters!

There are a few post-Celebrate opportunities still available. To make a general donation, satisfy a cause from “Cookies for a Cause”, sign up for a Celebrate at a Later Date, or buy a speaker/charger, go to <https://Celebrate2024.givesmart.com> through this Friday (2/9) at noon. Our genuine gratitude to everyone involved, from sponsors to donors to our incredible volunteers, from those who purchased raffle tickets to those who attended or bid remotely—and everyone in between. We will share the total amount raised as soon as it is available. For now, please know we are extremely appreciative for everyone’s generous support of Xavier Catholic Schools.

College Fair

The counseling department is looking for 2-3 parent volunteers to help the evening of College Fair, March 12. Dinner is served for all college representatives in attendance and we could use people to help manage the hospitality room prior to the start of the fair. If you would be available on 3/12 from about 4:30- 6:15, your help would be greatly appreciated. Please contact Lori Schuh at lschuh@xaviercatholicschools.org or (920) 882-6912. Thank you!!!

Inspire WI

Inspire WI is hosting an exciting health career exploration event at the Atlas Science Center in Appleton to help students in grades 9-12 explore health careers and engage in hands-on activities including suturing, tracking diseases with an epidemiologist, understanding how medicines are developed, and interacting with medical devices.

This [event](#) takes place on Tuesday, February 27th
